COMMANDER'S BLOG

Comrades of Post 9960,

December was a great month, with Holiday Cheer at the Canteen Christmas Party, Gunny Claus and the much-anticipated New Year's Eve Pig Pickin/Party! Also, saw some great work being done in the building and on the grounds of the Post. We are happy to say that we have a new Building and Grounds Committee to help us to stay focused on the condition of our very special Post property.

In December, we also suffered another Post 9960 life member loss, Mr. Albert Beaujean. He will be missed. Thanks to our Auxiliary President, Jeff Roberts for representing the Post at his service on 17 December. Our condolences go to our departed comrade's family.

Now, let's look forward to January 2022 when Marie & the Canteen have some great events including a BBQ Chicken dinner, Tasty T to entertain, her special breakfast, and Taco & Wing nights. Please keep your Post 9960 calendars handy!

In an attempt to become more electronic, if you are receiving this newsletter via mail, and would rather receive it in an email, please contact the Quartermaster, Marianne Waldrop at qmpost9960@vfwnc.com to ask to be removed from the mailing list and added to the email list.

Finally, on Saturday, 22 January, Post 9960 will host an instructional workshop on the POST Officer Duties of the VFW. This will be conducted in Morgan Hall from 9am-1pm for ANY POST MEMBERS who are interested in running for any of the Post 2022-23 officer positions. We have so many members that are interested in knowing more about how to be a part of the leadership here and what is expected in each position. This will be a very informative meeting. We hope to have a large crowd for this workshop.

Happy 2022 & keep on recruiting for our Post!

Harry Preston, Post Commander
