COMMANDER'S BLOG

Comrades of Post 9960,

Hello Comrades and Hello Spring! This community is beginning to "buzz" again with the amazing weather we all enjoy this time of year in ENC. As the weather continues to improve, we will hold several Post maintenance days to keep our place looking great and inviting. Please volunteer if you are able and continue to help us on Wing Nights so we can continue to provide amazing Wednesdays chow and fellowship. Wing Night is our biggest draw and is a great night to invite potential new members and others in our community to see what is going on at 9960. As a big reminder, our Post Officer elections are upon us at this month's meeting and we have some key positions to be filled. The Post Commander, Junior Vice Commander and Quartermaster are very important positions that are still currently going to be vacated with no current nominees. There are many other roles that are appointed positions that need filling as well to keep our Post thriving. Membership Committee Chair, Fundraising Committee Chair, Surgeon, House Committee members, Adjutant and some more Maintenance and Grounds Committee members are still needed. Many of these are not a huge commitment of your time, just a person that can keep track of one particular lane and be ultimately responsible for providing information or managing tasks with help from others. Let's not lose the amazing momentum this Post is currently having so we can continue to improve the facility, grow the membership and provide Veteran assistance for our local community for years to come. Hooah! Rah! and Hoorah!

It's time for elections, and we invite you to consider becoming a leader for your Auxiliary. Alternatively, if you know someone who you think would be an asset, you can nominate them. Please attend the meeting on April 11th to cast your recommendations and votes.

Department BLUE TICKETS are due back at this month's meeting. The renovation of the main ladies' room is currently underway, and we need your help. If you can assist in any way, please contact Eileen.

On April 13th, we will be holding a fundraiser for the Children's Hospital in Kinston. We require sides and all hands on deck for this event. Please see Lacera for sides. This event will also be known as the 1st annual Motorcycle run in memory of past Post Commander Harry Preston.

A heartfelt thanks to all who supported the Auxiliary St Patrick Day dinner. Your generous donations of money, food, paper products and time is gratefully acknowledged.

Our Auxiliary has reached 100% in membership!

District meeting is May 5, 2024 at the Vanceboro Post starting at noon. Nominations and elections of District Officers will be conducted. All are encouraged to attend.
