Merry Christmas and soon to be Happy New Year!! Brian and I are very excited to report to our members of the progress this last month! Post has certainly been busy. Thanks to the efforts of our new Canteen Manager, Kari Belmont, the Canteen has undergone some organizing and the kitchen has completed a much-needed service of our stove. All is now in tip-top shape!

Additional improvements have included an examination of Post files (still underway), some additional electrical improvements, consolidation of administrative supplies, and a consolidation of the old bingo equipment! Post has also reached out to the local, assisted living centers in Swansboro and located 13 veterans who reside in these two facilities. Our intention is to offer these gentlemen and lady, a nice wing night or other special meal outside of the high holy days of celebration!! Alarm bids were received to decide a potential, future upgrade of our system and Sherwin Williams came by to examine the untreated cement floors, offering their advice and 50% off their products!

Many thanks are due to Jim Gurganus, Dave Burger and Marianne Waldrop for the tireless pursuit of fixing our deficient tax-exempt filings and submitting for a re-instatement of our tax-exempt status. Both Herculean tasks have been completed!! Post should soon once again be a legal 501 (c) (19) non-profit organization soon. We will keep it there! AND... thanks to the House Committee's very hard work our Canteen By-Laws were submitted to District for approval! Post is moving in the right direction, every day!

Our tremendous Auxiliary continues to support in all aspects from fund raising, a super Thanksgiving meal, sorting and review of numerous Post decorations, and all the quiet, little deeds almost daily in support of the Mighty 9960.

Brian and I are very proud to be trusted to the leadership and management of your Post. YOUR POST!! We are here for YOU!! Your desires, decisions, input, donations, and vision, drive what we do. We are here to serve you and serve the veterans of our local community. In closing, we were excited to serve most of the 13 veterans discovered in local assisted living facilities at a recent Wing Night. Appreciated by all, it's why we exist – Nobody does more for Veterans!! All the best to every one of you! The best is yet to come in 2023!!
