**Comrades of Post 9960,**

Hello again as we get one step closer to another amazing ENC Spring time! Lots of things are coming up soon. Pat Curley is still organizing the fishing group that will begin to meet once a month at the post. These knowledge and camaraderie sessions will lead to off-site fishing trips that will surely be beneficial to the mind and soul. He is also continuing to organize a team to cater the CMAST annual NCSU alumni oyster roast and contest. This is not only an amazing experience, but also one of the larger fundraising events for the post. Please volunteer some time in the planning or execution of this event for the beginning of April. I am also organizing a Veteran's Town Hall on March 18th at the Post. Several organizations from the VA will be attending to give information and take claims. Post members, Veterans and surviving spouses are encouraged to attend, please don't miss this opportunity to potentially see what benefits you may be missing. Lastly, post elections are quickly coming up in April, have some nominations in mind for new post officers. Beware of the Ides of March! Hooah, Oorah and Hoorah!
