COMMANDER'S BLOG

Comrades of Post 9960,

Comrades, thank you for your patience with the installation of the new HVAC for the canteen. I want to thank the members that have contributed to helping us with future payments for the accrued cost. We are still pretty far away to off-set the total debt, please let me or Quartermaster know if you need a receipt or tax write-off statement for any contributions, November is always a big month for the post with our annual pig cook off/ car show on Nov. 4th, USMC birthday. Veterans Day and Thanksgiving. We still need volunteers to help with the car show as it is a big event and could raise close to \$8000. I urge you to find time to help so we can put on a great event for our sponsors and participants. The weather is turning cooler, if there are Veterans that are on the street or can't heat their homes that you become aware of, let us know to see if we can assist. Keep up with any suggestions or improvements you would like to see at the Post. Have a great beginning to the holiday season! Hooah! Rah! and Hoorah!
