Already November! How did that happen? Post concluded a very busy and productive month in October and has hired three new people to support the Canteen. Please Welcome Aboard our new Canteen Manager, Kari Belmont, our new Cook, Ashley Guthrie, and a new bartender, Angie Grimm! Post is very excited to have these ladies join us with their experience and motivation! Our Canteen has moved forward in leaps and bounds from just a few months ago. Many thanks to Jim Gurganus, Dave Burger, and David Wikler for all of their hard work!! Taco Night, Wing Night, and weekly food specials!! Best deal in town!

Post also has a new Chaplain, Captain Ted (Chaps) Williams, United States Navy, who is also the current Chaplain of the 2nd Marine Division. Chaps is a local boy who grew up just down the street from Post and married a local girl. He is very familiar with the area and people. Welcome aboard Chaps!!

November will be a very busy month. 5 November is going to be a very large fund raiser at MacDaddy's combining a Pig Cook-Off and Car Show. Post has a large number of volunteers and is hoping to raise significant funds. Following this event in rapid succession is the Marine Birthday on 10 November at 5PM immediately followed by Post meetings. The following day is Veteran's Day (11 Nov) and the Swansboro Young Marines will be hosting their annual Veteran's Tribute Spaghetti Dinner. Free to all veterans and proceeds are donated to Post! Finally, Thanksgiving on the 24th, will be celebrated at Post. Last year's Thanksgiving meal was incredible!

Buildings and Grounds continues to improve our Post. Renovations continue in the old Pool Room and Post Entrance. Additional improvements will continue to occur as Post can solicit volunteer labor, use Community Service personnel, and raise money via fund raising events. Our incredible Auxiliary continues to support the Post and will be busy this holiday season sorting through decorations and establishing a set plan for the holidays.

Happy 247th Birthday to the Corps and Happy Thanksgiving to you all!
