Joint VFW and Auxiliary Comments

Happy Fall and best wishes for a safe and happy holiday season!! Great things are happening at our Post! Most important, thanks to Jim Gurganus, we have found a reputable and experienced firm to handle our back IRS filings for the very reasonable price of \$1,000. This post has a very long relationship with our sister post in Jacksonville and we are excited to have them file our state taxes and federal paperwork in the future. While they will also handle our payroll for the Canteen, the financial advisors in Morehead City will have recommendations for VFW members to consider concerning the post investments!

Remarkable achievements and progress in our Canteen (reviewed Canteen SOP ready to be submitted for approval for the first time since 2018); Lynwood Grimes continues to monitor and improve the maintenance of post grounds; Will Whamhoff has been formulating some very interesting plans for improvements to post facilities; Aaron Adams has made some substantial improvements to our website with more on the way; the Adjutant is keeping post informed and working on additional improvements; and Bill Hardy is killing it with effective long-range Community Liaison planning.

During September we are looking forward to a Hot Dog Social on Labor Day and a big “thank you” to our members who volunteered to accomplish this!! We are also excited to celebrate the Air Force Birthday and scrumptious food specials being offered by the Canteen. For is discussion at our meetings this month – establishment of a team to review and sort through the Post decorations. Post has many decorations which have exceeded their serviceable life. What needs to go and what do we need to purchase? Finally, what are Post plans for each of the major holidays? When to decorate, where, and when to secure them? The VFW and Auxiliary will put together a PLAN.

Finally, due to the rising cost of US Mail, and the enormous time and effort involved, paper newsletters will not be mailed after December. Please provide the Adjutant a valid e-mail address and phone number so you may continue to receive our newsletter. This will also enhance the effectiveness of our numerous attempts to share information throughout each month.
